NOTE: The Yrs column indicates the years this person has served toward their 12-year term limit as of the date of the directory. Those marked ME are members elect who have not yet served in a legislative office as of the date of this directory.

Links to district number and legislator name will not work without a Gongwer subscription.

In the Office column, C stands for Capitol Building; HOB is the Anderson House Office Building, 124 North Capitol Avenue, Lansing, MI 48933. It is northeast of the Capitol Building on the east side of Capitol Ave.

To contact all House members, copy the email column and enter it into the bcc space in your email. You may need to put commas after each email address. Some email programs will not allow emails in one message to the 110 members of the full House so you may need to divide the addresses into two emails.

Created by Mary Pollock, Government Relations Coordinator for the American Association of University Women of Michigan, pollockm@comcast.net, 517-351-7292, from Gongwer News Service and other sources.
